

AppleCare Protection Plan for 1:1 Learning Solutions

Terms and Conditions

Your AppleCare Protection Plan (“APP” or “Plan”) is governed by these Terms and Conditions and constitutes your service contract with the Apple entity described in section 7.1 below (“Apple”). Subject to these Terms and Conditions, your Plan (i) covers defects for the Apple-branded product(s) listed in your Plan’s Certificate or Proof of Coverage document (“Plan Confirmation”) and the accessories that are contained in the product(s) original packaging (“Covered Equipment”), and (ii) provides you with access to telephone support and web-based support resources for the Covered Equipment. To obtain the Plan Confirmation you must register your Plan’s unique agreement or registration number (“Plan Agreement Number”) as described in the instructions included in the Plan’s packaging. Customers choosing the Auto-Registration option, where available, will automatically receive their Plan Confirmation. The duration of the Plan (“Coverage Period”) is for the period ending on the date specified in your Plan Confirmation. The price of the Plan is listed on the Plan’s original sales receipt.

1. Repair Coverage

a. **Scope of Coverage.** Your coverage for defects begins on the date your Covered Equipment’s Apple hardware warranty expires and terminates at the end of the Coverage Period (“Repair Coverage Period”). Apple will provide both parts and labor, but may require you to replace certain readily installable parts yourself, as described below. Apple may provide replacement product or parts that are manufactured from new, refurbished, or serviceable used parts. The replacement product or parts will be functionally equivalent to the replaced products or parts and will assume the remaining coverage under the Plan. The products or parts that are replaced become Apple’s property. Apple strongly advises you to record as a back up, data and software residing or recorded in the Covered Equipment, before having the Covered Equipment available for repair or replacement services. Under APP, Apple covers the Covered Equipment and one Apple branded display if purchased at the same time and registered with a covered Mac mini, Mac Pro or MacBook Pro, computer. An Apple-branded mouse and keyboard are also covered under APP if included with the Covered Equipment (or purchased with a Mac mini). An AirPort Extreme Card, an AirPort Express or AirPort Extreme Base Station, Time Capsule, an Apple-branded DVI to ADC display adapter, Apple RAM modules and MacBook Air SuperDrive are also covered under APP if owned by you and used with the Covered Equipment. If during the Repair Coverage Period there is a defect in the materials or workmanship of the Covered Equipment or the other covered items described above, Apple will at its option, repair or replace the affected item.

b. **Limitations.** The Plan does not cover:

- (i) Installation, removal or disposal of the Covered Equipment, or installation, removal, repair, or maintenance of non-Covered Equipment (including accessories, attachments, or other devices such as external modems) or electrical service external to the Covered Equipment;
- (ii) Damage to the Covered Equipment caused by accident, abuse, neglect, misuse (including faulty installation, repair, or maintenance by anyone other than Apple or an Apple Authorized Service Provider), unauthorized modification, extreme environment (including extreme temperature or humidity), extreme physical or electrical stress or interference, fluctuation or surges of electrical power, lightning, static electricity, fire, acts of God or other external causes;
- (iii) Covered Equipment with a serial number that has been altered, defaced or removed;
- (iv) Problems caused by a device that is not the Covered Equipment, including equipment that is not Apple-branded, whether or not purchased at the same time as the Covered Equipment;
- (v) Service necessary to comply with the regulations of any government body or agency arising after the date of this Plan;
- (vi) The provision of replacement equipment during the period when the Covered Equipment is being repaired;
- (vii) Covered Equipment that has been lost or stolen. This Plan only covers Covered Equipment that is returned to Apple in its entirety;

(viii) Cosmetic damage to the Covered Equipment including but not limited to scratches, dents and broken plastic on ports;

(ix) Consumable parts, such as batteries, unless failure has occurred due to a defect in materials and workmanship;

(x) Preventative maintenance on the Covered Equipment; or

(xi) Damage to, or loss of any software or data residing or recorded in the Covered Equipment. When providing repair or replacement service, Apple will use reasonable efforts to reinstall the Covered Equipment's original software configuration and subsequent update releases, but will not provide any recovery or transfer of software or data contained on the serviced unit not originally included in the Covered Equipment.

c. **Service Options.** Apple may provide service through one or more of the following options:

(i) Carry-in service is available for most Covered Equipment. Return the Covered Equipment requiring service to an Apple-owned retail store or an Apple Authorized Service Provider location offering carry-in service. Service will be performed at the location, or the store or service provider may send the Covered Equipment to an Apple repair service location to be repaired. Once you are notified that service is complete, you will promptly retrieve the product.

(ii) Onsite service is available for many desktop computers if the location of the Covered Equipment is within 50 miles/80 kilometers radius of an Apple authorized onsite service provider located in the United States or Canada. Apple will dispatch a service technician to the location of the Covered Equipment. Service will be performed at the location, or the service technician will transport the Covered Equipment to an Apple Authorized Service Provider or Apple repair service location for repair. If the Covered Equipment is repaired at an Apple Authorized Service Provider or Apple repair service location, Apple will arrange for transportation of the Covered Equipment to your location following service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.

(iii) Direct mail-in service is available for most Covered Equipment. If Apple determines that your Covered Equipment is eligible for mail-in service, Apple will send you prepaid way bills (and if you no longer have the original packaging, Apple may send you packaging material) and you will ship the Covered Equipment to Apple's repair service location in accordance with its instructions. Once service is complete, the Apple repair service location will return the Covered Equipment to you. Apple will pay for shipping to and from your location if all instructions are followed.

(iv) Do-It-Yourself Parts service is available for many Covered Equipment parts, allowing you to service your own product. If Do-It-Yourself Parts service is available in the circumstances, the following process will apply.

(A) Do-It-Yourself Parts service where Apple requires return of the replaced part. Apple may require a credit card authorization as security for the retail price of the replacement part and applicable shipping costs. If you are unable to provide credit card authorization, Do-It-Yourself Parts service may not be available to you and Apple will offer alternative arrangements for service. Apple will ship you a replacement part with installation instructions and any requirements for the return of the replaced part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the part and shipping to and from your location. If you fail to return the replaced part as instructed, Apple will charge the credit card for the authorized amount.

(B) Do-It-Yourself Parts service where Apple does not require return of the replaced part. Apple will ship you free of charge a replacement part accompanied by instructions on installation and any requirements for the disposal of the replaced part.

(C) Apple is not responsible for any labor costs you incur relating to Do-It-Yourself Parts service. Should you require further assistance, contact Apple at the toll-free telephone number listed below.

Apple reserves the right to change the method by which Apple may provide repair or replacement service to you, and your Covered Equipment's eligibility to receive a particular method of service, including but not limited to onsite service at any time. Service will be limited to the options available in the country where service is requested. Service options, parts availability and response times may vary according to country. You may be responsible for shipping and handling charges if the

Covered Equipment cannot be serviced in the country it is in. If you seek service in a country that is not the country of purchase, you will comply with all applicable export laws and regulations and be responsible for all custom duties, V.A.T. and other associated taxes and charges. For international service, Apple may repair or exchange defective products and parts with comparable products and parts that comply with local standards.

d. Obtaining Repair or Replacement Service

To obtain service under this Plan, access the Apple website (www.apple.com/support) or call the toll-free telephone number listed below. Telephone numbers may vary according to your location. All service is subject to Apple's prior approval. Location of service may vary due to your location. Keep your Plan Confirmation document and the original sales receipt for your Covered Equipment and your Plan. Proof of purchase may be required if there is any question as to your product's eligibility for Plan coverage.

2. Technical Support

During the Technical Coverage Period Apple will provide you with access to telephone technical support and web-based technical support resources. Technical support may include assistance with installation, launch, configuration, troubleshooting, and recovery (except for data recovery), including storing, retrieving, and managing files; interpreting system error messages; and determining when hardware repairs are required. Under APP, Apple will provide technical support for the Covered Equipment, Apple's operating system software ("Mac OS") and Apple-branded consumer applications pre-installed with the Covered Equipment ("Consumer Software"). Apple will provide support for the then-current version of the Mac OS and Consumer Software, and the prior Major Release, but reserves the right to change the support it provides on any previous versions at any time. For purposes of this section, "Major Release" means a significant version of software that is commercially released by Apple in a release number format such as "1.0" or "2.0" and which is not in beta or pre-release form.

b. Limitations. The Plan does not cover:

- (i) Your use of the Mac OS and Consumer Software as server-based applications;
- (ii) Issues that could be resolved by upgrading software to the then current version;
- (iii) Your use of or modification to the Covered Equipment, the Mac OS or Consumer Software in a manner for which the Covered Equipment or software is not intended to be used or modified;
- (iv) Third-party products or their effects on or interactions with the Covered Equipment, the Mac OS, or Consumer Software;
- (v) Apple software other than the Mac OS or Consumer Software as covered under APP;
- (vi) Mac OS software for servers;
- (vii) Mac OS software or any Apple-branded software designated as "beta", "prerelease," or "preview" or similarly labeled software;
- (viii) Third-party web browsers, email applications, and Internet service provider software, or the Mac OS configurations necessary for their use, or
- (ix) Damage to, or loss of any software or data residing or recorded in the Covered Equipment.

3. Your Responsibilities

To receive service under the Plan, you agree to comply with the following:

- a. Provide your Plan Agreement Number and serial number of the Covered Equipment;
- b. Provide information about the symptoms and causes of the problems with the Covered Equipment;
- c. Follow instructions Apple gives you, including but not limited to refraining from sending Apple products and accessories that are not subject to repair or replacement service and packing the Covered Equipment in accordance with shipping instructions; and
- d. Update software to currently published releases prior to seeking service.

4. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APPLE AND ITS EMPLOYEES AND AGENTS WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM APPLE'S OBLIGATIONS UNDER THIS PLAN. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LIMIT OF APPLE AND ITS EMPLOYEES AND AGENT'S LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THE PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE PLAN. APPLE SPECIFICALLY DOES NOT WARRANT THAT IT WILL BE ABLE TO (i) REPAIR OR REPLACE COVERED EQUIPMENT WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA, AND (ii) MAINTAIN THE CONFIDENTIALITY OF DATA. FOR CONSUMERS IN JURISDICTIONS WHO HAVE THE BENEFIT OF CONSUMER PROTECTION LAWS OR REGULATIONS, THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER SUCH LAWS AND REGULATIONS. TO THE EXTENT THAT LIABILITY UNDER SUCH LAWS AND REGULATIONS MAY BE LIMITED, APPLE'S LIABILITY IS LIMITED, AT ITS SOLE OPTION, TO REPLACE OR REPAIR OF THE COVERED EQUIPMENT OR SUPPLY OF THE SERVICE. SOME STATES OR PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

5. Cancellation

You may cancel this Plan at any time for any reason. If you decide to cancel either call Apple at the telephone number below, or send or fax written notice with your Plan Agreement Number to AppleCare Administration, P.O. Box 149125, Austin, TX 78714-9125, U.S. (fax number 512-6748125). A copy of the Plan's original proof of purchase must accompany your notice. Unless local law provides otherwise, if you cancel within thirty (30) days of your Plan's purchase, or receipt of these Terms and Conditions, whichever occurs later, you will receive a full refund less the value of any service provided under the Plan. If you cancel more than thirty (30) days after your receipt of this Plan, you will receive a pro rata refund of the original purchase price, based on the percentage of unexpired Coverage Period, less (a) a cancellation fee of twenty-five (\$25 USD) dollars or ten percent (10%) of the pro-rata amount, whichever is less, and (b) the value of any service provided to you under the Plan. Unless applicable local law provides otherwise, Apple may cancel this Plan if service parts for the Covered Equipment become unavailable, upon thirty (30) days' prior written notice. If Apple cancels this Plan, you will receive a pro-rata refund for the Plan's unexpired term.

6. CIP Kit

If you purchase multiple Plans from Apple at the same time, Apple will provide you with a single collection of Apple branded customer installable parts ("CIP Kit") at the rate of one CIP Kit for every one hundred (100) Plans purchased. Apple may modify its eligibility criteria for issuing CIP Kits or the parts that it contains at any time and without notice. Each CIP Kit contains one (1) Apple branded keyboard, one (1) battery, one (1) power adapter with power cord and a set of portable product shipping boxes for use in facilitating direct mail-in repair service. Exact contents of each CIP

kit depends on the configuration of the Covered Equipment. Apple will ship the CIP Kit to the address described on your order document. Apple warrants the components of the CIP Kit against defects in materials and workmanship under normal use for a period of ninety (90) days from the date of shipment (“Warranty Period”). If a hardware defect arises and a valid claim is received within the Warranty Period, at its option, Apple will either (1) repair the part at no charge, using new, refurbished or serviceable used replacement parts, or (2) exchange the part with a part that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original part. When a part is exchanged, any replacement item becomes your property and the replaced item becomes Apple’s property. This warranty does not apply to damage caused by non-Apple products, accident, abuse or other external causes.
